

Treat your guests to the funniest mob boss you've ever seen, with...

BADA BOOM

Tired of murder mysteries that only kill time and dinner theater with no flavor? Well, we've got an offer that you shouldn't refuse... if you know what's good for you.

Holy Cannoli! Some of Bugsy's crew have met with a little "accident," so now he's recruiting. You and your guests can interact with his gang and help figure out what happened, becoming *Meal And Fun Interactive Audience* members (MAFIA for short). As MAFIA members you'll get to see if you have what it takes to join 'the family,' solve the puzzle, or just die laughing.

Bada Bing, Bada Boom! This show is hilarious, all-original and guaranteed fun. Don't make us tell you twice.
