*CUSTOMIZED MURDER MYSTERIES —
FOR AND ABOUT YOUR COMPANY!*

BUSINESS IS MURDER

Bad news: your company's just been acquired. The new boss, Veronica Nichols, has a bold vision for sweeping changes — in other words, she's your worst (and most hilarious) nightmare. And when Veronica is killed, all your guests are suspects!

Business is Murder is a three-actor, customized murder mystery that travels to your choice of venue (we will be happy to help you find a suitable location). To create this show, we send you a questionnaire that gives us information about the people attending, and anecdotes about the workplace. The script is then custom-tailored to your company, with in-house zingers guaranteed to have your guests die laughing!

Includes:

- 3 actors
- Script customization based on a client questionnaire sent in advance
- Props, costumes and paperwork

Option(s):

- Additional 4th actor/musician
