## LAW & MURDER

In the Comedy Theater Dinner Murder Mystery System the people are represented by two separate yet equally important groups; the actors who kill themselves for the sake of the comedy and the audiences who die laughing at the stories.

In **"Law & Murder"** you'll follow and perhaps participate in the investigation and prosecution (you have the right to remain silent, but anything you say can and will be funny) as well as trying to figure out all the cameos and nods to dozens of your favorite cop and courtroom shows... the names have been changed to protect the innocent!

With tons of audience interaction, trivia and hilarious comedy and parodies of everything from Law & Order to Lethal Weapon, the only real crime would be missing this show.
